

Many of us have favorite pets – real and stuffed – that bring us great comfort and joy. God wants to bless these beloved creatures ... and we who care for them (Genesis 1:28). Join us (weather permitting) on Wednesday, September 30th, at 6:30 p.m. under the shade trees on the south side of Hawker Church. All pets must be on leashes or in carriers. If your pet is unable to travel, or doesn't get along with other animals or humans, bring a photo instead. We'll have light refreshments following the ceremony.
